

Refrigerated Storage Containers

IRS REFRIGERATION

Two zone- freezer and cool room

IRS Refrigeration specialise in Refrigerated Storage Containers.

You don't need to trust your valuable perishable products with someone whose expertise is in storing furniture. **IRS Refrigeration** has qualified on-staff refrigeration mechanics who service every container prior to departure. This means that you can be assured the Container delivered will provide optimum performance.

IRS Refrigeration offer an extensive range of Refrigerated Containers so you can be confident that we will provide the container that exactly suits your needs. We also provide Modified Containers configured to you exact requirements. We find innovative and cost effective solutions to every situation.

Refrigerated Containers come in a range of sizes. The standard sizes are 10', 20' and 40'. They do come smaller, larger, compact and higher. It is all about where you want to store the unit and what you want to store in it.

Internal dimensions may vary according to the type of wall construction and thickness. This also influences the tare weight and contents weights of the container.

IRS Refrigeration offers a competitive price to Buy or Hire. Or if you prefer we also offer various payment options, including our "Hire to Buy" arrangement. It is all about what best suits you.
